

LAVA BANCO

By Karim Rashid

Lava es una experiencia única que nace de la unión entre belleza, lujo, interpretación y funcionalidad.

LAVA es un banco con forma de nube, una escultura orgánica realmente inmensa y muy difícil de conseguir mediante el proceso de fabricación por medio del moldeo rotacional. LAVA, su forma vanguardista y original crea un agradable, natural y relajado lugar de encuentro o conexión en cualquier espacio IN&OUT que se coloque; una forma diferente y original de interactuar mobiliario y usuario. Para hacer aun más especial dicho espacio, podemos añadir al producto una lámpara de bajo consumo o LED RGB. Esta opción seguro dejará fascinados a quien la observe...un ambiente aún más espectacular y agradable.t.
